Notice to Employers

Reminder: Safety Summary Form Requirements.

NH Department of Labor would like to remind employers of the requirements for filing a Safety Summary Form. Not all employers are required to file a Safety Summary.

Currently, this form is required for all employers with 15 or more employees at any time during the calendar year and who have never filed before or have not filed this form since 2010.

Employers who have a 2011 or more recent Summary on file with the Department of Labor do not need to file again.

Employers with fewer than 15 employees are not required to file this report.
